Küsnacht, in August 2020

**Petroplus Marketing AG in debt restructuring liquidation
Circular no. 12**

Dear Sir or Madam,

In circular no. 11, we announced that a further interim payment would be executed. The preparatory arrangements for this interim payment have now been completed. As a enclosure to this circular, you will receive the corresponding special notice with more detailed information on the proceedings. Payments will be made at the earliest from the end of September 2020. Due to the large number of creditors, the execution of the payments will take some time.

The interim payment is equal to 3.6 %. After its execution, creditors with third-class claims will have received interim payments totalling 28.9 %. At present, we expect a total dividend of around 29.17 % - 29.51 %. The remaining dividend still to be paid will therefore be less than 1 %. In view of this low percentage and the costs incurred in executing an interim payment, there will probably be only one final payment at the end of the proceedings.

In spring 2021 at the latest, we will inform you with a further circular about the Report on Activities for the year 2020.

Kind regards
